That's exactly what this children's musical is all about . .
..... God's truth changing us to live inside out.

Through songs such as "Inhale the New Life," "Shepherd Boy," "Upside Down World!" and others, children deepen their understanding of what God looks for in His servants on earth, and how we should live as true followers of Jesus. Children will see that Christ, the "Servant King" who humbly came to earth and sacrificed for us is the greatest example of living inside out in an upside down world.
